San Mateo County Library
Teen Summer Reading Program
June 1st - August 15th
For teens in 6th - 12th grades
You could win great prizes!

- Read 4 books at your reading level.
1 school-required summer reading book will count as 2 books (you can only do this once).
- Write, draw, sing, or otherwise produce a creative response to each book. You may submit your response on the pages provided, on an attached sheet of paper, online (text response only), or on a CD or DVD.
- When you have completed at least 4 responses (3 if one is a high school required book), turn in your responses at the library. You will receive a \$10 gift certificate to a local bookstore or business.
- The most creative responses at each library will win a \$25 gift certificate and be showcased across San Mateo County!
- All finishers will be entered into a drawing for a grand prize of an iPod Nano, a Canon digital camera, or a Flip Video camcorder.
- Entries may only be submitted at one San Mateo County Library location.

What counts as a "creative response"?

This year's summer reading program is all about expressing yourself. Get creative and write a poem or a story. Draw or paint a picture. Write and sing a song and send us a CD. Make a short video. Submit your responses on the paper provided, an attached sheet of paper, online, or on a CD or DVD. Show us what you can do...the possibilities are endless!
