Dear Community,

This week we have created a special virtual week-long event and the perfect month of June with Bug Out at the Library! Whether you dream of becoming an entomologist or are fascinated with creatures that creep and crawl, let San Mateo County Libraries be your go-to place this summer for positive bug-filled experiences!

Whether you sign up for a virtual or in-library spot, our programs provide a snap shot of the diverse array of life you'll see in and around our communities. Visit any of our libraries to explore nature and the wonderful world of insects with our new displays. We'll read books about bugs, sing songs and more. Whether you're looking for an insect-related craft, inviting storytime, or a conversation to enjoy, we have something for everyone!

Stay tuned to our website for more events this month and for the month of July and August! You can now explore nature and the wonderful world of insects with our new displays. We'll read books about bugs, sing songs and more. Whether you're looking for an insect-related craft, inviting storytime, or a conversation to enjoy, we have something for everyone!
