

## **Bookmobile RFP**

### **Responses to Comments**

**Do you have a deadline in which you require delivery?** We are interested in having a vehicle that best meets our requirements as soon as possible.

**What style and length of vehicle are you looking for?** We will be evaluating expert recommendations provided by proposers that meet the goals of this project as described in the RFP.

**How many people will be on the vehicle at one time?** This will depend on the size of the vehicle.

**Do you have a specific vehicle in mind?** We are looking for a vehicle that meets the goals described in the RFP and that anyone can drive.

**You've listed four different types that range greatly in price, Sprinter, Cutaway, Step-van or truck. Do you have a specific price range?** We will be evaluating proposals according to the criteria listed in the RFP to identify a choice that best meets our needs.

**Do you have any limitations for parking?** We do not have limitations on parking.

**Where will the vehicle be stored?** The vehicle will be parked in an outdoor lot.

**Do you have access to nightly charging?** We do have access to nightly charging.

**Do you have access while at stops to plug in?** We do not have access to plug in while at stops.

**How long are your daily stops?** Daily stops vary from 45 minutes to 2 hours. Special event stops can last up to 8 hours.

**Do you need workstations, stationary or modular?** Staff will need workstations that are designed to best accommodate the goals of this project as identified in the RFP.

**Do you need any storage space?** Storage space will be needed.

**Do you have a preference on gasoline or diesel?** We are interested in the expert recommendations of proposers on the choice that most aligns with the goals of this project.

**Could you please provide a layout or hand sketch of the interior that works for your team?** Vehicle layout is to be determined.

**Could you provide the breakdown for the shelving? Do you want single sided carts, how many? Do you want double sided carts, how many? For the shelf size depth, 7", 9", and 11" are the common ones. Do you have an idea of how many you want in each depth? Do you need any tech carts?** Shelving breakdown is to be determined.

**Do you want L-track in the floor to tie down carts and other items?** L-track would be welcome, but not required.

**Do you need a galley with fridge and microwave?** A refrigerator and microwave would be welcome, but not required.

**Do you want heat in the vehicle, electric or fuel fired?** Heat will be needed, but whether electric or fuel fired is to be determined.
